

Lion's Pride Mentoring, Inc.

## **Student Development Workshops**

### ***Student Development Workshops Overview***

**Purpose:** The purpose of the student development workshops is to provide specific targeted support around skills students will use both during program and outside of program with the support of the Lion's Pride Board members and other professionals from the Chicago community.

**Vision:** Each month in semester 2, students will complete a specific development activity as well as hear from a guest speaker. These workshops will take place during [regular program time](#) and student mentees will be able to attend some sessions, but are not required to participate in all sessions.

### ***Student Development Workshops Schedule***

The following are the tentative topics for each monthly workshop. Workshops are subject to change depending on the line up of speakers and/or volunteers available.

#### **Session #1: Overview of Workshops and Resume Overview (February - Bigs Only)**

*Students will get an overview of the workshop schedule for the year in addition to analyzing their current resume, identifying areas to add to their resume, and determining how to market their Lion's Pride experience on their resume.*

#### **Session #2: Career Pathways (March)**

*Students will participate in an activity to further explore their career interests and how the skills they learn and develop in the Lion's Pride program will translate into their potential career pathway.*

#### **Session #3: Conflict Resolution (March- Bigs Only)**

*Students will complete conflict resolution training in order to better support their mentee in navigating relationships with others.*

#### **Session #4: Finding Your Authentic Leadership Style (April)**

*Students will hear from leaders in a variety of fields about their leadership style and how they have been able to develop their authentic leadership voice. Students will be able to define what their leadership style looks like and their leadership development goal for the rest of the year.*

#### **Session #5: Public Speaking and Presentation Skills (May)**

*Students will be able explore their [public speaking personality](#) and find their best public speaking self.*
